

1. OFFICIAL EXPO RAFFLE PARTICIPATION

Participation in the official expo raffle includes a tile dedicated to the participating Exhibitor featuring a 25-word description (submitted by the Exhibitor), a maximum 50-character listing of the prize to be raffled, prize value, company name, and logo. The Official Expo Raffle page will be featured in the game center and participating exhibitors will be highlighted in the expo home page.

2. EXHIBITOR RESPONSIBILITIES

Exhibitor must provide a 25-word description about the Exhibitor's company, products and/or raffle prize. Exhibitor is responsible for providing the raffle prize (minimum value of \$350). Transfer of the raffle prize to the winning attendee is the responsibility of the Exhibitor. The type of raffle prize must align with all ISTE policies and rules, and may not be alcoholic in nature.

3. PRIZE RESTRICTIONS

One winner per raffle tile is permitted. If a raffle prize includes more than one item, only one winner will be drawn to receive the entire prize listed on the tile. Submitting contact info via the raffle tile is all that is required to be entered into a raffle drawing. No additional requirements may be imposed by the participating Exhibitor.

4. COLLECTION OF ENTRANTS

Exhibitors will receive the contact info of all attendees who enter the Exhibitor's raffle. Raffle entrant contact data will be available in the company dashboard.

5. DRAWING AND AWARDING OF PRIZES

At 1:15 p.m. on Friday, December 4, 2020 Exhibit Management will randomly select a winner for each raffle prize from the raffle entrants data. Exhibitors may not select a winner. Between 1:45 p.m. and 2:00 p.m. Exhibit Management will notify the raffle winners.

6. PRIZE COLLECTION

Exhibitors are responsible for getting in contact with winners to arrange for transfer of prize and for all arrangements related to prize transfer. The winner's information will be communicated to Exhibitor by Exhibit Management.
