Conference sponsorships deliver high-impact connections to the decision-makers who attend the ISTE Conference & Expo. Five conference sponsorship levels are available – mission, platinum, gold, silver and bronze – each with a generous benefits package. If you’re interested in learning more about how your organization can be a part of one of the world’s most influential edtech events, please contact Ashley McArdle, ISTE Director of Event Sponsorships at amcardle@iste.org.

ISTE EDUCATION INDUSTRY NETWORK

At ISTE, we’re proud to serve a worldwide community of educators and work alongside a diverse group of edtech companies to solve tough problems. Through a collaborative effort with solution providers, we believe we can overcome current challenges and build solid foundations for the future of edtech and education as a whole. This hope led us to create a unique community experience for solution providers – the Education Industry Network. The network provides opportunities to connect and engage with peer leaders from edtech companies around the globe, hear from educators and experts about industry trends, challenges and important strategies, and deepen engagement through special events and conversations to identify and implement solutions that improve the industry’s overall success.
