## EMERGENT TECHNOLOGIES CONNECTIONS STAGE

The Emergent Technologies Connections Stage in the Innovation Arcade is intended to showcase emergent technologies and facilitate the bigger discussions around them. Presenters on this stage will have an opportunity to introduce new ideas, discuss thought provoking uses of technology and showcase successful projects.

TIMING GUIDANCE
Total session length: 60 minutes (40-45 minute presentation with time for Q&A)

FACILITATION GUIDANCE
- Please arrive at least 15 minutes prior to your presentation to allow for technical and sound check.
- The committee will be providing you with a "Branding Kit" that may be used to add to your visuals.
- Please plan to share your presentation via the presenter portal.
- If conversations with the audience last beyond your allotted time slot, a committee member will guide you and those you are speaking with to another area to continue the conversation so that we may set up for the next speaker.
