

Designing the Future of Learning JUNE 28–JULY 1 • ORLANDO, FLORIDA

Thank you for allowing your student to participate in ISTE Live and ASCD Annual 26. This event is an opportunity for educators to connect, share brilliant ideas, and shape the future of education. We absolutely love having student presenters. Their unique voices, fresh perspectives, and energy make this conference truly special!

Please be sure to share the following important information with your student before the conference:

For the safety of all attendees, confirmed participants must wear a conference badge while in the convention center.

Student Presenter Guidelines

- There is a limit of five student presenters per session with one adult chaperone.
 - We do not make exceptions to this rule.
- Student presenters are expected to actively engage with attendees in a respectful manner.
 - For poster sessions, students should lead presentations and discussions.
- Student presenters must always be supervised by a badged adult chaperone.
- Badged student presenters may:
 - Attend their own session.
 - Enter the expo hall after signing a behavior agreement.
 - If visiting the expo hall, students are expected to keep their voices down, stay in their groups and refrain from taking exhibitor giveaways unless they are offered.
- Due to space limitations in the convention center, additional students are not permitted.

Chaperones, family, and guests

- The chaperone badge allows one adult to accompany up to five students and does not grant access to conference events independent of student participation.
- If parents would like to attend their child's session, they must purchase a conference registration for \$895 for non-members. Adults who would like to visit the expo hall may register for an expo only pass. This gives access only to the expo hall.
- Non-presenting students or children ages 5–16 are not permitted in sessions, events or the expo hall unless they **purchase** a conference registration for \$895 (non-ISTE+ASCD member fee) **and** have an adult chaperone at all times.
- Strollers or infant carriers (worn or carried) are **not permitted** at any time in the expo hall or conference sessions.

These policies are strictly enforced, apply to all attendees and exhibitors, and are without exception. ISTE+ASCD reserves the right to request proof of age from anyone at any time.
