SCIENCE ACTION!

TABLETS HAVE INVADED THE SCIENCE CLASSROOM!

Come see how middle school, high school, and higher-ed educators have integrated movie making into their everyday science worlds.

Learn about the following apps: iMovie, Explain Everything, Adobe Spark Video, iMotion HD, Touchcast, and more!

CCC Lobby D Tues 28, 10:30-12:30

Check out our site for lesson plans and video examples!
